Please check **your** policy schedule to ensure **you** have the level of cover **you** need and read the following to help **you** use the service.

1. WHAT TO DO IF YOU HAVE A HOME EMERGENCY

You can claim under this policy at any time during the **period of insurance** for any **home emergency** occurring after the first 14 days from the start date of your policy. If you have a **home emergency**, please call our 24 hour assistance centre on:

0333 320 1156

If you are unable to make a connection, please contact us on:

0292 082 2708

Please call us as soon as possible and be ready to give the following information for us to validate your claim.

1. **Your name, address and postcode**
2. **Your policy number**
3. **The nature of the problem**

We will record your details and then decide on the best course of action to limit your loss and/or repair the damage. If the incident relates to an emergency covered under this policy, we will instruct a member of our emergency contractor network. Poor weather conditions or remote locations may affect normal standards of service.

If you are claiming for alternative accommodation costs you must obtain our authority to incur costs before booking somewhere to stay. You will have to pay for the accommodation when you check out and send your receipt to us to be reimbursed.

It is important you notify us as soon as possible of any claim and do not call out your own contractor, as we will not pay their costs and it could stop your claim being covered.

You must report any major emergency which could result in serious damage to the home or injury, to the Emergency Services or the company that supplies the service.

This policy is evidence of the contract between you and the insurer. The cover under this policy applies provided that you have paid the premium and keep to the terms and conditions of cover.

Insuring Clause

If you have a **home emergency** the insurer will pay **emergency costs** for the services insured subject to all the following requirements being met:

1. The claim is reported to us
 - during the **period of insurance** and
 - as soon as practicable after you first become aware of a **home emergency**.
2. You always agree to use the **contractor** chosen by us.
3. To the best of your knowledge you provided full, accurate and truthful information to us when you applied for this insurance.
4. You do not make more than six valid claims during the **period of insurance**.

Automatic Renewal Protection

Where Automatic Renewal Protection is available and you have selected to renew your policy using this method, your policy will automatically renew when it is due to expire. This protects you to ensure that there is no break in insurance cover.

You can choose to opt in or out of Automatic Renewal Protection at any time during the period of insurance by calling our Customer Services Department, or changing the settings online within the Customer Lounge.

We will notify you at least 21 days before your policy is due to expire of any changes to your cover, the renewal premium and the Terms and Conditions of the policy.

To automatically renew your policy, your previous year's card payment details will be stored by our Secure Payment Provider and processed in accordance with the Automatic Renewal Protection process detailed within this wording. Payment for your renewal will be taken from your card up to 2 days before the policy is due to expire. By choosing this method of renewal, you understand that it is your responsibility to ensure that you keep us up to date with valid card payment details and that there are sufficient funds available to pay for the automatic renewal of your policy. Failure to do so will mean that your policy will not renew, cover will expire and you will not be entitled to any service under this policy.

If you have not chosen the Automatic Renewal Protection process, you will need to contact our Customer Services Department or log in online to our website's Customer Lounge to renew your policy.

Cancellation Rights

1. You may cancel the policy within 14 days of purchasing the cover with a full refund of the insurance premium paid.

3. GENERAL NOTES

3. Where there is a valid reason for doing so, the **insurer** has the right to cancel the policy at any time by giving at least 21 days' written notice to **you**. The **insurer** will refund part of the premium for the remaining **period of insurance**. However, any refund due will be reduced so that the **insurer** retains the sum incurred to cover the cost of **your** annual boiler service where this has been carried out. **We** will set out the reason for cancellation in writing. Valid reasons may include but are not limited to:
 - a) where **you** fail to cooperate with or provide information to **us** or the **contractor** in a way that materially affects **our** ability to process a claim, or **our** ability to defend the **insurer's** interests
